MATH FOR MANAGEMENT FORM - (MSM491)

Directions

- Use this form to register for the Math for Management course, a 2 credit graded class designed to give students an assessment of their mathematical skills. The grade will appear on your official transcript, but will not be included in the cumulative GPA. The 2 credit hours will not count toward your degree requirements.
- Math for Management is offered in the summer term only.
- The Bursar's Office will bill you at the current per credit hour rate for this course.
