

RECRUIT

Simon Business School | Benet Career Management Center

Recruiting, simplified.

Simon students and graduates have the skills to meet your project, internship, or full time hiring needs. They apply skills in quantitative analysis to bring clarity to the challenges of business. **At Simon, they gain a strong economics foundation and experience solving real business problems.** They see the big picture, and they know how to get the job done independently, or as a team.

To interview our students and share your opportunities for employment, talk to the team in Simon's Benet Career Management Center. We offer a recruiter-friendly process that puts you in touch with the brightest minds in business.

There are many ways to recruit Simon talent:

On-Campus

Conduct on-campus interviews to screen pre-selected MBA or MS candidates.

Virtually

Perfect for company info sessions, executive chats and interviews.

Regionally

Register for our spring and fall career expos and recruiting events.

Steps to hiring at Simon

1. Determine the best mix of recruiting methods—hiring events, virtual info sessions, NYC interviews, or campus and online interviews.
2. Select the dates you prefer. (see calendar)
3. Send us your job posting, or upload it yourself to [12Twenty](#). We'll forward résumés and application materials once the deadline has passed.
4. You can also browse résumés year round by requesting access to our online résumé books.
5. Select your candidates and interview format. We'll send you a complete interview schedule and handle the rest.
6. Arrive and we'll take care of all the details including lunch.
